### District Best Practices

The element of the dashboard includes performance and salary data.

The screenshot shows the MI School Data Dashboard & Accountability Scorecard interface. The left sidebar contains a navigation menu with various categories. A red arrow points to the 'Dashboard & Accountability Scorecard' link. The main content area displays the 'District Best Practices' section, which includes a table of performance metrics and salary data. A red box highlights this table.

Note that the years referenced as "current" and "prior" are different for each metric, depending on data availability and reporting schedules. You can place your cursor over the data element to see the year being referenced for each metric.
